Greetings Sidney Lanier School Community,

I enthusiastically greet you as the newly appointed principal of Lanier High School—a school with a rich history of learning. It is my fervent hope that the summer months provided each of you the opportunity to relax and recharge after encumbering life during the COVID-19 pandemic. As we embark upon the 2021-2022 academic school year, rest assured that the castle is situated on a firm foundation that welcomes all our students back to the fold.

This year, as we continue to traverse through life in a post-COVID-19 world, please know that “We Are One” and that we all are in this together. We will continue the rebranding initiative with the theme: “Reclaiming the Castle, one brick at a time.” The brick symbolizes areas of concern that we will tackle and conquer as a team.

I have an open-door policy for all stakeholders and welcome each of you on campus. We will have multiple opportunities for our parents and community stakeholders to volunteer at the school and to give back throughout the school year. I solicit all stakeholders’ support as we continue to change not only the perception of Lanier High School, but the trajectory of our students’ success.

Throughout the year, we will be adding robust enhancements to our academic framework to ensure that our students are equipped with the necessary skills needed to be contributing and productive members of our ever changing global society. In addition, we will be creating social activities for the entire student body based on the Morehouse College’s 5 Well Model. It is my goal for each Lanier Poet to be “Well Read, Well Traveled, Well Balanced, and Well Spoken, and Well Dressed”.

Parents and students, the contents of this handbook will help all students and stakeholders navigate through this year. All local and district mandated rules and regulations will be followed accordingly. It is the collective charge of the entire LHS administrative team, teachers and staff members to ensure that the LHS learning environment is safe, healthy, inviting, and conducive for the individual success of each LHS Poet.

I am looking forward to meeting everyone in the near future, we are going to have a fantastic year of learning and growing. GO POETS!

With warm regards I remain,

Joseph Jermaine Roberson

My school will be what I make it.
I shall strive to promote the high standards Of Lanier in all that I do.
(Written by Lanier Student Council, 1974)

**Lanier Alma Mater**

Dear Lanier, though fleeting time May bear us far away from thee Forever in thy hallowed halls Each heart will dwell in loyalty. Faithful to the blue and white We will be.
And before thy shrine of knowledge We will kneel to thee.

Alma Mater, thy standard waves Triumphant through each passing year; We love thy spirit, true and brave,
Thy courage through each threatening fear. We will hold when we begin our lives anew Memories of the sheltering walls,
And of thy friendships true.

CAFETERIA
All students enrolled in Montgomery Public Schools in the upcoming school year will receive breakfast and lunch at no cost. The system is participating in a state and federal program called the Community Eligibility Provision of the Healthy, Hunger-Free Kids Act. The program allows school districts in Alabama with a 40 percent or higher poverty ratio to participate in the program. There are no forms for parents to fill out. Students will continue to use their student numbers at checkout for each meal, but no funds will be needed in the student’s account unless they want extra food items. Students will be charged for any additional items, like extra milk or entrée. Additional student meals will be charged the established price of $1.00 for student breakfast, $1.75 for Elementary student lunch, and $2.00 for Junior and High School student lunch. A la carte item prices will also remain the same as last year. Adult visitor meals will remain $2.50 for breakfast and $3.75 for lunch.

The principal also has the authority to prohibit outside food/drink, and any outside items that may be hazardous to others (i.e. aerosol sprays and perfumes).

Students can bring lunch, but must be in a container. Sharing of food items and drinks is not permitted. Outside fast food and or deliveries are not permitted for students.

ATHLETIC PROGRAMS
The administration and coaching staff of Sidney Lanier High School consider interscholastic athletics a vital part of the total educational process. The Athletic Department is committed to the democratic process, which recognizes an equal opportunity for all students, regardless of sex, color, national origin, religion, or economic status. The school’s philosophy is to provide all students with an environment that is safe and encourages active participation in a variety of activities under different teacher/coach role models. Members of the Lanier High School Athletic Staff strive to foster positive experiences, and guide student-athletes toward realizing their full potential. Through practices, games, and example, the staff works toward preparing students to succeed rather than merely to win games. “Win or lose, our students should learn lessons of a lasting and positive nature.”

GRADING PROCEDURES/REPORT CARDS/PROGRESS REPORTS
Measures of student achievement include grades. A student successfully completes a course/subject if she/he earns at least a grade of “D” in grades 9-12. Please refer to the Montgomery Public School’s Grading, Promotion, Retention Policy for additional information.

ENROLLMENT
All students entering Montgomery Public Schools as full-time students at the beginning of the school term shall be registered and in attendance by the first day of school. Exceptions may include military assignments, job transfer, moving from another country, state, etc.

BEGINNING ATTENDANCE AT LANIER
Attendance will be recorded beginning on the first day of school! Students who require schedule changes must follow their original schedules as printed until the necessary changes have been made officially by the guidance office and a new (dated) schedule is issued. Attendance records for any new class (es) will begin on the date printed on the new schedule.

ATTENDANCE
Regular and timely attendance is a determining factor in educational success. Critical academic information is lost each time a student is out of the classroom. For this reason, the Montgomery Public School System believes all students should be in school every day, unless there is a valid reason for an absence, such as medical or religious needs. Further, the Montgomery Public Schools value the involvement of parents/guardians in the academic process and encourage ongoing
communication between home and school, particularly regarding attendance.
School staff will make every attempt to assist families in addressing attendance concerns.

**MPS ATTENDANCE PROCEDURE**

Any student in grades 7 – 12 who has accumulated more than ten (10) unexcused absences in a yearlong course may be denied credit for that course. Required court appearances, official school field trips and physician verified absences do not count toward this total number of absences.

Parents or guardians of any student having a chronic ailment that may cause the child to miss school during the year are required to provide the school with a clinical or doctor’s statement verifying the child’s condition at the beginning of the school year. The statement shall reflect the nature of the child’s illness and state that the child may have to miss school from time to time due to this illness. Failure of the parent/guardian to provide the school with a chronic ailment statement can result in an unexcused absence accumulation and referral to Juvenile Court. The *MPS Student Conduct Manual* contains additional important details.

**PRIOR APPROVAL ABSENCE FORMS**

All Prior Approval Absence Forms must be hand-delivered to the Office of Student Services or mailed via Postal Services within TWO (2) WEEKS PRIOR to the date requested. Faxed or emailed forms will not be accepted. Please be sure to have with you or include a copy, if mailed, a valid photo identification.

**EXCUSED ABSENCES**

Written documentation must be submitted within (3) days after the student’s return to school. The following reasons will be considered excused absences:

- Illness

- Inclement weather which could be dangerous to the life and health of the child as determined by the superintendent
- Emergency conditions as determined by the superintendent and conveyed through the principal
- Prior permission of the **Chief of Student Services** with request from the parent/guardian (Parents should complete the Prior Approval of Absence from which must be signed by the **Chief of Student Services** before the absence takes place). Refer to the form in the Student Conduct Manual.
- Head lice-excused for only three days
- Suspensions
UNEXCUSED ABSENCES
Any absence not listed above in the Excused Absence section or otherwise excused by the superintendent, principal, or the superintendent’s designee will be considered unexcused. Examples of unexcused absences include, but are not limited to as per Board Policy JBC issued on 1/27/2015”
  ● Truancy
  ● Missing the school bus or ride
  ● Trips Unauthorized by the principal
  ● Birthdays or other celebrations
  ● Any absence for which a written excuse was not provided within three (3) days from return of absence
  ● Any absence due to dress code violation

ADMITTANCE SLIPS
Homeroom teachers will issue admittance slips and mark absences and/or partial absences either “excused” or “unexcused,” based on a note of explanation from the student’s parent or guardian, or based on the check-in or check-out form issued by the office. Admittance slips will be signed by each teacher whose class was missed and then returned by the last teacher signing to the student’s homeroom teacher to be kept on file.

CHECK-INS/CHECK-OUTS/Tardies
Students arriving at school after 7:45 a.m. must be checked in by a parent or guardian. The parent or the guardian must show the proper identification when checking in a student. Students who leave school for any reason must check out through the school office following their school’s check out procedure. Only persons whose names appear on the school’s registration form/card may check out students unless the school verifies permission with the parent/guardian. Written permission is to be given by the parent/guardian or “emergency person” shown on the school’s registration form before each check out, except in case of sudden illness, accident, or similar incident where telephone confirmation is the only alternative. A valid photo ID is required. NO CHECK-OUTS AFTER 2:00 P.M.

Students must be in attendance a minimum of one-half (1/2) of the instructional day to be counted present and to participate in extracurricular activities. An early dismissal before one (1/2) of the school day (3 and ½ hours) or a check-in after one-half (1/2) of the school day is counted as an absence.

MAKE-UP WORK
Make-up work shall be provided for any excused absence from a class or school. On the day of the student’s return to school, the student/guardian will arrange with the teacher a timeline for the make-up work to be completed. If the student fails to turn in the missed work by the deadline, the student will receive a zero for the missed work. Extenuating circumstances will be considered.

APPEAL PROCESS
Complaints involve disagreements in matters regarding administrative decisions and practices that do not violate the laws set forth in the grievance procedures. Complaints will be resolved through informal methods.
Complaints should first be addressed with the school principal. If the complaint is not resolved with the school principal, then the complainant may contact (334) 223-6840 to be directed to the appropriate central office administrator.

GRADING, PROMOTION, and RETENTION PROCEDURE
Questions regarding Montgomery Public Schools’ Grading, Promotion, and Retention Procedures should be referred to the principal. Parents may request a copy of this policy from the MPS Communication Officer or download a copy from the district website www.mps.k12.al.us.

No student will be allowed into other areas of the school until the 7:20 bell sounds unless the student has a pass from a teacher. There will be an exception for library passes (honored at 6:45 a.m.). Students who are not supervised by teachers must leave the school grounds by 3:15 p.m. Students arriving on campus before 7:00 a.m. or remaining on campus at 3:15 p.m. will be asked to leave the premises.

**STUDENT DRESS CODE POLICY**

DISTRIBUTION AND SALE OF MATERIALS

The sale or distribution of any goods or materials on any school property by any individual or group is prohibited unless prior permission has been obtained from the principal. The sale of materials will be limited to school organizations. All sales must be scheduled with the Activities Director. A schedule for any sales should be secured from the Activities Director.

USE OF THE LIBRARY

Students are encouraged to use the library facilities as much as possible. The basic regulations are the following:

- **Proper pass** – A student must have a pass issued by an administrator or faculty member to enter the library.
- **Time** – hours are approximately 7:00 A.M. – 3:30 P.M.
- **Books** – Books may be checked out for two weeks and may be renewed for another two weeks.
- Reference books may not be taken out of the library.
- **Fines** – The date due slips show the date the book is due. Five (.05) per day is charged for overdue books. Check out is suspended when the fine reaches $2.00.
- **Lost books** must be paid for. When a lost book is found, a refund, minus the fine will be made.
- **Photocopies** – Fifteen cents is charged for each copy. The copier is located near the reference section.
- **Computer printouts** – Ten cents is charged per page for printing.
- **Atrium book system** is currently the automated library program used for circulation and book search (card catalog) for the students and faculty.
  Books in the library may be searched by the author, title, series, subject, or call number. The call number is the guide for locating the book on the shelves. Books of fiction do not have a number and are arranged alphabetically by subject of the book.
- **Reading lists** – The lists are color-coded and are located at the circulation desk. Sophomore List – yellow, Junior List – green, Senior – blue. Books on the list are located behind the circulation desk and are serviced by the librarian. Accelerated Reader Books are shelved throughout the collection, and many are labeled with an A.R. Label indicating reading level and points.
LIBRARY RULES
The library is a part of the instructional program. It is primarily for research, study, and for recreational reading. The library must be quiet at all times. Therefore, the following rules are necessary.
1. Loud talking and laughter, or just sitting and talking are not acceptable behavior in the library.
2. Conversations with the library assistants are allowed only when help is needed in locating, checking out, or returning books/materials.
3. Students should return books/materials to their proper places after they have finished using them.
4. Students should clear tables and pushchairs back in place before leaving the library.
5. Students are not allowed to eat, drink, or chew gum in the library.
6. Show care and respect when using all library resources...

INTERNET ACCEPTABLE USE PROCEDURES
To gain access to the Internet on a school computer, each student must return a permission form signed by parents to the homeroom teacher. Use is a privilege, not a right, and may be revoked if abused or misused.

EXAMINATIONS AND GRADING
Final examinations will be given at the end of each course. The examination schedule will be announced and posted well in advance. In order to make up a final examination, a doctor’s certificate must be presented by the student unless he/she is excused under the Board of Education policy providing an excused absence for “very unusual circumstances.” The absence must have the prior approval of the principal in any case. Students are NOT to be given or told any grades until ALL examinations have been completed. The scholastic advancement of the student is indicated by the five steps listed below.

EXEMPTION FROM SEMESTER EXAMS
A student may be exempt from a semester exam if his/her attendance record in that class shows a TOTAL of no more than (5) absences, check-ins, tardies, and/or check-outs and if his/her average in class meets the following requirements:
- Any SENIOR must have a class average of at least 80 (B)
- Any JUNIOR must have a class average of at least 90 (A)
- No FRESHMEN or SOPHOMORE may be exempt from any exams.

Attendance records will be kept beginning on the first day of school, according to the official school calendar. Students who miss a class while participating in a school-authorized activity on or off the campus will not be considered absent when eligibility for exemption is being determined. The semester grade for an eligible student electing to be exempt will be determined by averaging the two nine week’s grades.
GRADE POINT AVERAGE AND RANKING
Students entering Lanier High School as seniors will not be ranked with the current senior class. Grade point averages (GPAs) and class rankings are calculated at the end of the junior year, but those reported to colleges will reflect a student’s current status, and the student must have attended Lanier for the previous two years for ranking. The valedictorian, salutatorian, and top ten students will not be announced or posted until all grades have been posted for the second semester.

HONOR ROLL
At the end of each nine weeks’ grading period, the Honor Roll will be posted. The requirements for honor roll are:

<tr>

<tr>
<td>A Honor Roll</td>

<tr>

STANDARDIZED TESTS
A standardized test is an objective measure of the individual designed to point up his/her strengths and weaknesses. Test results are not infallible, but through an analysis of the results of several reliable tests, one can approximate the academic ability of a student. Since the interpretation of the scores of the various tests is very important, parents should counsel students to attend the interpretation sessions and pay close attention to the information given there. The student will then be able to explain the meaning of the scores he/she takes home.

CREDITS, TESTING, AND FUTURE PLANS
A student entering Lanier should discuss his or her course of study with parents, teachers, and counselors. Before the senior year, the student should have credits counted and be certain that he or she has those required for his or her program of study.

It is suggested that a student decide early what type of college to attend so that requirements and scholarship offerings can be determined. For admission to highly selective colleges, taking the College Board Aptitude Test and ACT no later than the junior year.

You should be aware, of course, of the necessity of the best possible scholastic record. However, you should be reminded that the grade alone should not be your goal in a course. The mastering and retaining of the material is the most important result.

Seniors: College entrance tests are your responsibility. Schedules of the College Entrance Board and the American College Testing Program are included here as well as posted on the Guidance Office bulletin board. Obtain your applications in the guidance Office. Which tests you should take and when you should take them are questions for which you must find the answers. Different colleges require different tests. Counselors are available to talk with you concerning which tests you should take.

OPTIONAL TESTS
_Preliminary Scholastic Aptitude Test (PSAT/NMSQT) Lanier’s Code No. 011-910_
WHO:    Juniors and Sophomores
WHEN:    TBA
WHERE:   TBA
This test was introduced in response to the interest shown by schools in a low-cost, convenient, nationally accepted test of the scholastic abilities required to perform college work. The results are reported in a Verbal and Math score as are the results of the Scholastic Aptitude Test of the College Entrance Examination Board. From the results for this test, National Merit Scholars and National Achievement Scholars are named, and scholarships are awarded. There is a fee for this test which, in some cases, may be waived. See your counselor.

**College Entrance Examination Board (CEEB) (SAT) Lanier Code No. 011-910.**

**WHO:** Seniors and Second Semester Juniors  
**WHEN:** All tests are given on Saturdays. Registration postmark closing dates and test dates are posted in the Guidance Office as well as listed below and on the school calendar.  
**WHERE:** Center assigned by CEEB

Changes occasionally occur on these announced dates. Be sure to check the bulletin board in the Guidance Office (Room 140) for the notice of changes. Registration materials are available in the Guidance Office.

The purpose of SAT is to give the student a basis for conferring about college admission with the counselor and with the admission officers of the various colleges that the student has an interest in. The simplest fact about SAT scores is what they are -- indicators, but they do a surprisingly good job of telling how a student will perform in college.

**SAT Test Dates**

**Registration Deadline**  
(Please contact Counselor)

**American College Test (ACT) Lanier Code No. 011-910**

**WHO:** Seniors and second semester Juniors. This is required in all state supported colleges except junior colleges.  
**WHEN:** All tests are given on Saturdays. (Registration closes several weeks ahead of the test.  
**WHERE:** Center assigned by ACT

In one way, ACT goes further than the College Boards. It is concerned primarily with “generalized intellectual skills and abilities rather than with specific detailed content.” The enhanced ACT assessment includes four curriculum based tests that measure students’ educational development in English, mathematics, reading, and science reasoning.

**Armed Services Vocational Aptitude Battery (ASVAB)**

**WHO:** Juniors and seniors who want to take the test may sign up in the guidance office or JROTC office.  
**WHEN:** (Dates will be announced)  
**WHERE:** Lanier Cafeteria

The ASVAB helps students to explore their aptitude and interest for various career areas, both military and civilian. The evaluation of results assists students in identifying their strengths and career possibilities and DOES NOT in any way entail or imply an obligation or commitment to the military.

**ASPIRE**

All 10th grade students will take the ASPIRE test. See the Assessment Calendar.

**ASSEMBLIES**

From time to time, assemblies will be conducted. Therefore, students are expected to behave appropriately at all times during the assembly. Students are responsible for sitting in the assigned area for their class. Any disruptions or misbehavior will result in an office referral and immediate action will be taken by an administrator.

During Pep Rallies, students are expected to have fun and will have opportunities to scream and make appropriate noise to demonstrate school spirit. This does not include anything that can be a major disruption or distraction from the Pep Rally. All students will have an assigned area during Pep Rallies. Any student who does not report to that assigned area will receive an office referral and will be processed as skipping.

**PARENT CONFERENCES**

Lanier High School faculty and staff encourage conferences with the parents and/or guardian of each student as needed. The purpose of these parent-teacher conferences are to provide the teacher an opportunity to advise parents of the academic progress of each student and to discuss with the parents suggested strategies that the parents can implement in supporting the teacher’s instructions. Conferences can only take place before school, after school, or during a teachers planning period. Please see the teacher syllabus for planning periods. Parent conferences must be scheduled in advance.

● Students must wear a mask when entering the building. If they do not, they will be given one.
● Book bags, athletic bags, and large purses will NOT be allowed upon entry. Young ladies may carry a purse no larger than a sheet of notebook paper. Upon entry, each young lady will open her purse allowing the LHS staff member to perform a visual search.
● Athletic Coaches will decide where athletic bags will be located.
● Students will carry an Academic binder.
   a. 2 inch or 2.5 inch three ring binder with pockets
   b. Tab dividers in the binder for each class student is enrolled
   c. College ruled notebook paper
   d. Pencil case that fits into binder
   e. Black and blue ink pens
   f. Highlighters
   g. No. 2 pencils (mechanical pencils preferred)
   h. Composition notebooks
   i. Calendar/Planner
   j. Calculator (T1-84 recommended, but not required)

   Student name should be located in the front sleeve of the binder along with the student post-graduation goal, student creed, and school’s mission statement. Random notebook checks will be conducted in all classes.

Checking student temperatures

● Each classroom teacher will check temperatures (thermometers will be provided)
● Each student who arrives at school ill, will be sent to a designated sick room.

Arrangement of student desks

● 4 model classrooms will be set for teachers to determine how best to arrange student desks for social distancing.

Rotation of classes

● Students must wear masks during the rotation of classes
● Up / down hallways and stairways will be marked for the movement of students. Teachers are asked to assist with acclimating students to this procedure.
Breakfast

- Breakfast will be grab and go. Each teacher is responsible for a trash bag.

Lunch

- Only 50% of the cafeteria can be utilized during lunch. Therefore, during each lunch wave, designated classes will enter the cafeteria while other students will eat in their classrooms. Classes will rotate eating in the cafeteria vs. eating in the classroom.

- Only four students are to be seated at each table, spacing between each seat.

Dismissal

- Students will be dismissed by floors, using designated exits. No student will be allowed to exit through the lobby. LHS personnel will be strategically placed on each floor to ensure students follow their exits.

Health and Safety Considerations

- Post the Families First Coronavirus Response Act (FCCRA) in prominent areas
- Custodians will clean common areas frequently throughout the day using methods provided during training.
- Groups of more than 10 in a given area are discouraged.
- Students, who feel ill and/or have a fever, should NOT report to school.
- Wearing masks is required while in the workplace.

Operations

- Face shields will be provided for every employee in the district.
- Gloves will be provided for personnel responsible for disinfecting (custodian, librarians, technology coordinators).
- Hand sanitizer and hand sanitizer stations (limited quantities) will be provided in the centrally located areas.
- CareKits will be provided to each employee on a one-time basis at the start of school.
- Sneeze guards will be provided for each school (CNP, front office and 2 for checkout by psychometrists, behavior interventionists, social workers, etc.)
- Schools will be provided with signage and distancing dots.

What to do if you are sick

- If you are sick with COVID or think you are infected with the virus, STAY AT HOME.
- If you think you have been exposed to COVID and develop a fever and symptoms, call your healthcare provider for medical advice.
- It will be determined if others who may have been exposed (students, coaches, staff) need to be notified, isolated, and / or monitored for symptoms.
- If a positive case of COVID is diagnosed, Contact Tracing will be implemented with the assistance of local health professionals and the CDC/PA DOH.
