DATE: 11- -20

To the Parents of \_\_\_\_\_:

**You have been invited to attend a Zoom meeting to help create a Student Reading Improvement Plan (SRIP) for your child.** In 2019, the Alabama Literacy Act became law. It requires that all Alabama's school age children read at or above grade level by the end of third grade. We recently completed a reading test called **Star Early Literacy**. Based on the results of that test, your child has been identified as having a deficiency in early literacy/reading.

With your support and prompt attention, we can develop a plan to help your child improve, and prevent any future occurrences.

Your cooperation is needed as part of our problem-solving team whose aim is to give students every opportunity to be successful. We must continue to work diligently with your child to support his/her instructional needs.

If you have any questions or concerns, please do not hesitate to contact the school at **334-269-3662**

Respectfully,  
The Literacy Team

Your meeting will be on \_\_\_\_\_ at \_\_\_\_\_. We are meeting virtually on Zoom. Please go to zoom.com, join the meeting, and place the meeting code and password in the box.
