

Catch the K-Wave Afterschool Program

Welcome to A-KEEP’s After School Korean Language and Culture Program! A-KEEP’s KSL Program offers students a chance to learn Korean, a critical language, that will help them improve cultural awareness and appreciation, heighten their cognitive skills and boost government job opportunities!

Learners will explore authentic Korean pop culture’s such as K-pop or K-dramas and local popular cultures. While exploring K-culture and local culture, the learners will learn how to use culturally appropriate manners and introduce themselves

Students do not need nor are expected to have any prior knowledge of Korean language or culture but should have a willingness to learn and explore!
