

Halcyon Elementary School Title I School-Parent Compact

Halcyon Elementary School's administration, faculty, staff, and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the No Child Left Behind Act of 2001 (participating children), agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards.

This school-parent compact is in effect for the 2021-2022 school year.

School Responsibilities

The Halcyon Elementary School will:

1. Provide high-quality curriculum and instruction in a supportive and effective learning environment that enables the participating children to meet the State's student academic achievement standards as follows:

In education, teacher expertise is the most important factor in student achievement. Webster defines education as the process of educating or teaching. Educate is further defined as "to develop the knowledge, skill, or character of..." Thus, from these definitions, we might assume that the purpose of education is to develop the knowledge, skill, or character of students. At Halcyon, we may not all agree with the assumption of the definition of education; however, in order to improve the school we must all be in agreement about the "core beliefs" of our institution.

What are our beliefs?

- Every student, every day, is entitled to quality teaching instruction.
 - Differentiated teaching enhances the potential to learn.
 - An effective school is comprised of students, parents, faculty and administrators working as a team.
 - Character education is an integral part of the instructional program.
 - The school's environment should foster mutual respect.
2. Hold parent-teacher conferences (at least annually in elementary schools) during which this compact will be discussed as it relates to the individual child's achievement. Specifically, those conferences will be held: The school agrees to host Teacher/Parent conferences, Report Card distribution, and grade level conferences with parents as appropriate.
 3. Provide parents with frequent reports on their children's progress. All students at Halcyon Elementary School will receive progress reports and signed-papers every two weeks. Furthermore, a report card will be issued quarterly. Lastly, all parents will be informed of their ability to gain access to their child's academic records through use of PowerSchool Home Reporting System.
 4. Provide parents reasonable access to staff. Home and school-everyone shares the goal of helping children learn and feel successful. Therefore, conferences will be scheduled between teachers and parents on *Tuesday, Wednesday, and Thursday before school, afterschool, or during teacher's planning periods.*

5. Provide parents opportunities to volunteer and participate in their child's class, and to observe classroom activities, as follows: At Halcyon, volunteerism can take many forms depending on your time and preference. Volunteers will be used as needed to help students practice their reading or math skills; to help teachers gather and manage materials for lessons and projects; to help supervise the class on a field trip or during an assembly. Volunteer assistance will also be used during after school hours-with PTA refreshments, or to serve on school committees.
6. Ensure regular two-way, meaningful communication, between family members and school staff, and, to the extent practicable, in a language that family members can understand. At Halcyon, faculty and staff will collaborate and access all available resources to support communication with students and parents.
