

## Mission Statement

To keep young people in school and provide work- based learning experiences that will lead to career advancement opportunities or to enrollment in a postsecondary institution that leads them to a rewarding career.

We are working each day to help every Alabama student graduate with opportunity.

Since our founding in 1996, JAG has served more than 11,000 Alabama students.

Through a combination of public and private partners, JAG is able to expand our proven program and mission services each year.
