

# UNIFORM DRESS CODE PROCEDURES

## ALL MPS SCHOOL STUDENTS ARE REQUIRED TO WEAR UNIFORMS.

State educational authorities and recent court decisions have determined that style of dress and hair should not disrupt classes, interfere with learning, prevent instruction, and should comply with state health and safety standards. MPS believes that requiring neat, clean, and appropriate clothing encourages an atmosphere conducive to learning. No open holes, bare midriff, spandex, see-through or low-cut blouses/shirts are permitted. Students are to wear clothing that fits properly. Pants are to be worn at the waist (no sagging). Students are required to dress according to the MPS Student Conduct Manual. The uniform guidelines of the school coincide with the MPS dress code but in a more detailed and school-specific form. Please refer to the MPS website for additional information regarding dress code requirements for students.
